Dedication

Mr. Richard G. Leonard

It is with true respect and admiration that we, the Class of 1980, dedicate our yearbook to our principal, Mr. Richard G. Leonard, one whose life is dedicated to training and shaping the lives of those who will one day assume our nation's leadership. He is a man who is always willing to listen to our problems, and is never quick to judge, but carefully weighs both sides of the situation. He is one who shares his knowledge in the hope that his efforts will not be in vain. He gives us kindness and trust and one day we shall become all he ever saw in us. Until then, we can only say, from the bottom of our hearts,

"Thank you, Mr. Leonard."
The Class of 1980.

In Memoriam

Kathleen A. Litke

"Gone From our sight,
but never our memories.
Gone from our touch,
but never our hearts."

Kathy was a friend to anyone who needed one. She had a great ability to understand things and really care about people.

Not only was she beautiful with people, but she expressed herself through art. She was truly talented. Art was something she loved and she planned to go into it after high school.

She did very well academically and was a real part of school spirit, always supporting our teams. She participated actively in many clubs.

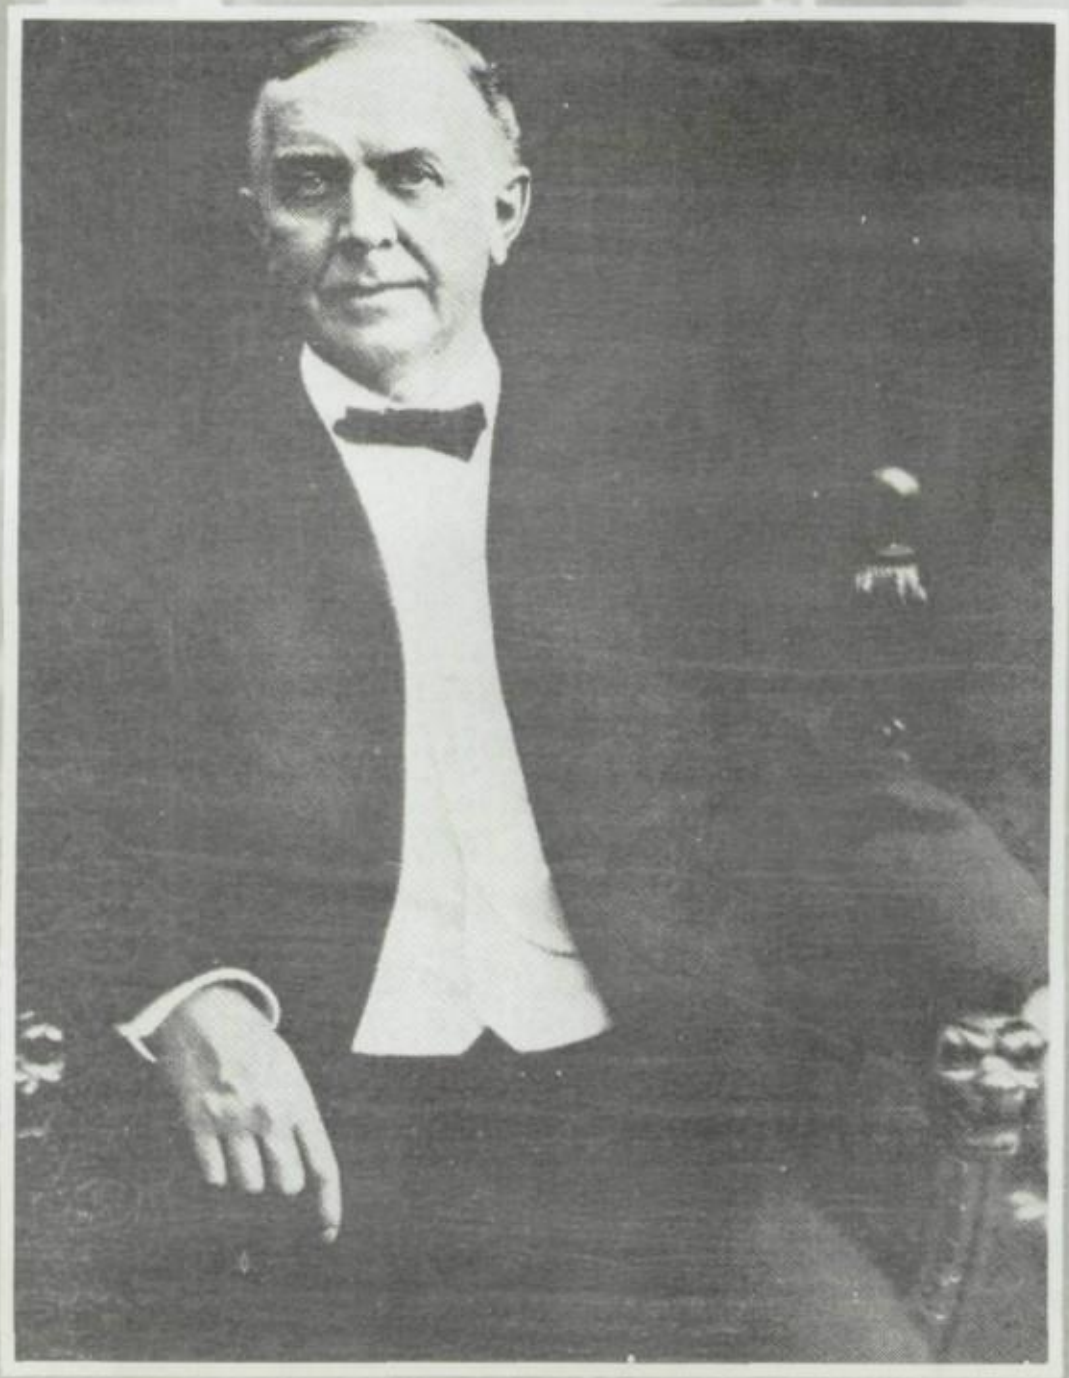
She was a person who liked to see people happy and simply that sight could make her smile.

Her view of life is expressed in one of her favorite poems, "On This Day." In memory of Kathy, let us all take note of these words and try to make the world a better place in our lives to come.

On This Day

Mend a Quarrel,
Search out a forgotten friend,
Dismiss a suspicion and replace it with trust.
Write a letter to someone who misses you,
Encourage a youth who has lost faith,
Keep a promise, forget an old grudge,
Examine your demands on others and vow to reduce them
Fight for a principle, express your gratitude,
Overcome an old fear,
Take two minutes to appreciate the beauty of nature.
Tell someone you love him,
Tell him again,
And again,
And again.

Mr. John Howard Whittemore



Kindness in words creates
confidence.
Kindness in thinking creates
profoundness.
Kindness in giving creates
love.

Mr. Raymond E. Dowling

Members of the Graduating Class of 1980:

I congratulate you most sincerely upon your completion of the required Naugatuck High School course of study. You have done well if you have the satisfaction of having made the most of your skills and talents.

As you begin your new endeavors I am certain that, in your future decisions, you will remember the counsel and guidance of your parents and teachers. Complete emotional control will be a necessity for your generation, avoiding discouragement which always interferes with progress. Think the thoughts that will stretch your mind and learn to stick with things a little longer.

Go forth and build, establishing precedent rather than glorifying it. Initiate your work with enthusiasm, and the success of whatever you choose to do will undoubtedly be proportionate to the element of sacrifice entering upon your efforts.

My personal hopes and wishes are that each of you will enjoy prosperous living, achieve satisfying successes, and continue the unbounded happiness of your youth.

May the blessings of God be always upon you.

Raymond E. Dowling
Superintendent of Schools

Mr. Richard G. Leonard

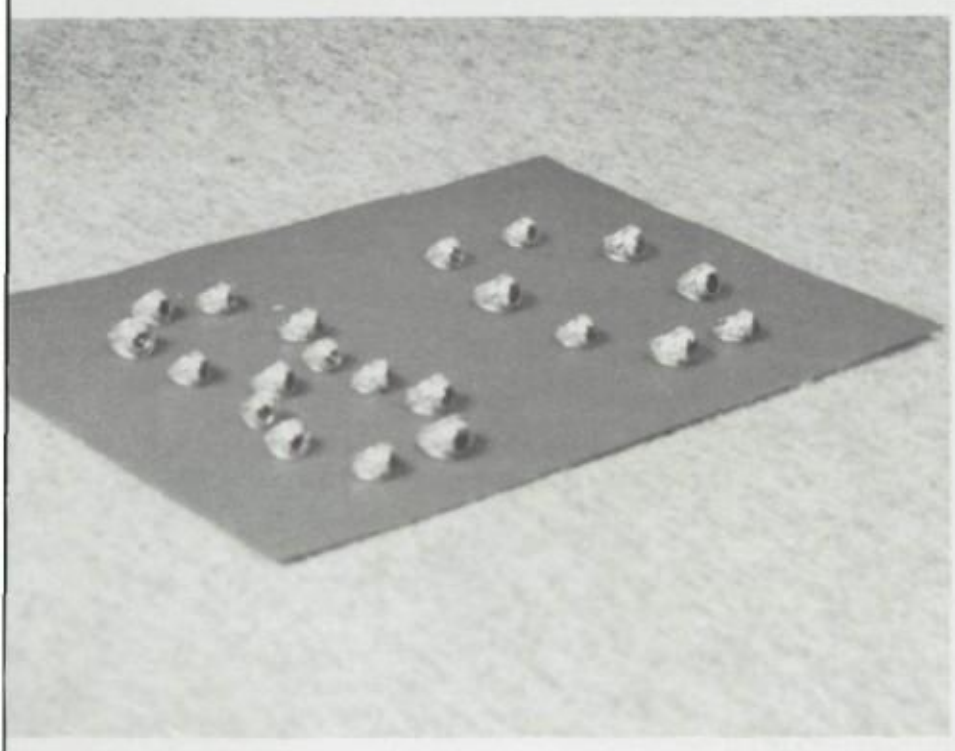
To The Class of 1980:

All members of the faculty join me in congratulating a distinguished class of fine young men and women. You have excelled in athletics, scholastic achievement and good citizenship. Your four years in our new facilities and our renovated senior house have offered you many advantages. You have proven that you have deserved the confidence our community places in your future. Naugatuck's investment in a new secondary school plant has been justified by your diligence and good citizenship. We look forward to your continued success in the future with the knowledge that you have prepared yourselves well.

Richard G. Leonard
Principal

Beginnings are always unique
They are the start of your individual dream,
Everything has a time of growth
Which is preceded by a momentous birth-
It's beginning at your hands.

Janice Passabet



The Year, 1980 . . . It Was A Beginning

As we end our high school years, we also begin building our dream for the future- 1980- our opening to a new decade. A lot has happened and somehow we all made it through the year . . . a little older and a lot wiser. When we reflect on it, things weren't so bad after all. It was a time of forming friendships, making strides academically, and improving as people. Let's take a look at what kind of year it was . . .

To the Class of 1980:

Commencement from high school is not the end, but the beginning — the beginning of new experiences and opportunities as you pursue your chosen careers and fields of endeavor. Your class has great potential as reflected by its leadership and the events highlighted in this yearbook.

Whatever your aspirations, I wish each of you good fortune, great success and complete happiness.

Charles E. Triano
Assistant Principal

To the members of the Class of 1980:

It is with great pleasure that I congratulate each of you for successfully completing your course of study at Naugatuck High School. The Freshman faculty and I were very much impressed with your scholarship ability, and school citizenship as Freshman, and I know you carried this through for the following three years.

For each of you, it is my sincere wish that God may bless you with many years of good health, happiness, and much success in your chosen field.

John L. Kane
Assistant Principal

To the Class of 1980:

I am very pleased to have this opportunity to congratulate you, the Class of 1980. Your years at NHS, I trust, have been memorable years. During the past four years you have done well in various areas of the curriculum. The 1980's present many challenges and opportunities for each and every one of you.

Along with the other members of the faculty and administrative staff, I wish you continued success in all of your future endeavors.

During September 1976, a class of approximately 500 Freshmen entered Naugatuck High School. We looked forward with anticipation to the four years we would spend here. At first we were a little lost but eventually we adjusted to high school life.

We were the first Freshman Class in a long time to be able to elect class officers. Mark Magas was President, Julie Macri Vice President, Rachael Woodside Treasurer, Debbie Olivera Secretary, and Cathy Burmeister Class Representative.

Our activities included two bake sales, tree planting around Veterans' Field and a car wash at Yoders' Arco.

We concluded the year with a class picnic at Arrowhead Grove. Everyone had a fun day, especially those who participated in the pie eating and water balloon contests.

Sophomore year had to have been the toughest academic year but somehow we

all pulled through. The officers we elected were: President Terry Zehnder, Vice President Terry Palmer, Treasurer Rachael Woodside, Secretary Debbie Olivera, and Class Representative Enid Batista.

Once more we had bake sales and a car wash. We also had a raffle for Foghat tickets.

The highlight of the year was ordering our class rings. Who was the lucky one to turn yours for the 80th time?

The year was made complete with the Sophomore Dance held at Falcon Hall. Everyone enjoyed the great food, and the entertainment provided by the group, Avatar.

During our Junior year we got caught up in many fund raisers. Two bake sales, a grinder sale, car wash, a night of roller skating at Skate Odyssey, a Christmas stocking raffle, and the annual Spaghetti supper.

The officers elected were: President Glenn Myers, Vice President Bill Abdalla, Secretary Debbie Olivera, Treasurer Rachael Woodside, and Class Representative Kim Foster.

The main event of the year was our Junior Prom at the Castillian Room in

Waterbury. The food was excellent as was the music provided by Maze.

We ended the year by selecting Junior Honor Guard, and the baton was passed to our President Glenn Myers at 8:43 p.m. on June 13th, proclaiming that we were now Seniors.

Release Hostages In Iran

During our Senior year our attention was focused on the desperate situation in Iran. Fifty American hostages were held captive at the American Embassy. A

U.N. committee was formed and met with a mediator from Iran, the mouthpiece of the Ayatollah Khomeini. Although thirteen women and blacks of the original sixty-three were released, we anxiously awaited the release of the remaining fifty.

Very soon after the school year began we elected our class officers; President Glenn Myers, Vice President John Sickola, Secretary Debbie Olivera, Treasurer Rachael Woodside, and Class Representative Kim Foster.

The first fund raiser was the Halloween Dance, followed by several raffles, a Pancake Breakfast, a Christmas stocking raffle, a great Variety Show, the Pot Luck Supper and a successful Senior Class Auction.

Unfortunately, we lost once again to our football rivals, Ansonia, although our team put out a great effort. Terry Palmer, our quarterback, was chosen for the All N.V.L. Team.

For the first time our Girls' Badminton team had an undefeated season, and they also captured the State Title.

Before we knew it, we were preparing for graduation. Yearbooks arrived and Senior Week activities had already begun. Our Senior Prom was held at the Sheraton Park Plaza Hotel in New Haven. Even though it was held on Friday the 13th, Superstition didn't stop anyone from having a good time.

Finally, on June 16th,

1980, Graduation Night arrived. Although we were ending our four years here, we looked forward to the challenges that faced us in the future.

Good Luck to the Class of 1980! We can never forget all the memories of our high school years. We thank the administration and the faculty for the knowledge they have passed on to us, not only in academics, but also in dealing with life.

Memories

Thanks for all the memories
In which you've played a part,
For they are always nearest
And dearest to my heart . . .
Thanks for all the memories
that are yours and mine alone,
For they recall so many
special moments I have known . . .
Thanks for all the memories
that time can never dim . . .
I could never repay you
for the joy I found in them.

It Was Making Friends

For some, the year will have a very special meaning. It will be remembered as more than being a part of a group. It will be remembered as an important time of sharing part of our lives with others. It was comaradarie of being on a team, all the fun of belonging to a club, and all the friendships formed during the year in various classes. Perhaps it didn't last, but at least it felt good to share a moment with someone else . . . and to be welcomed into another person's life.

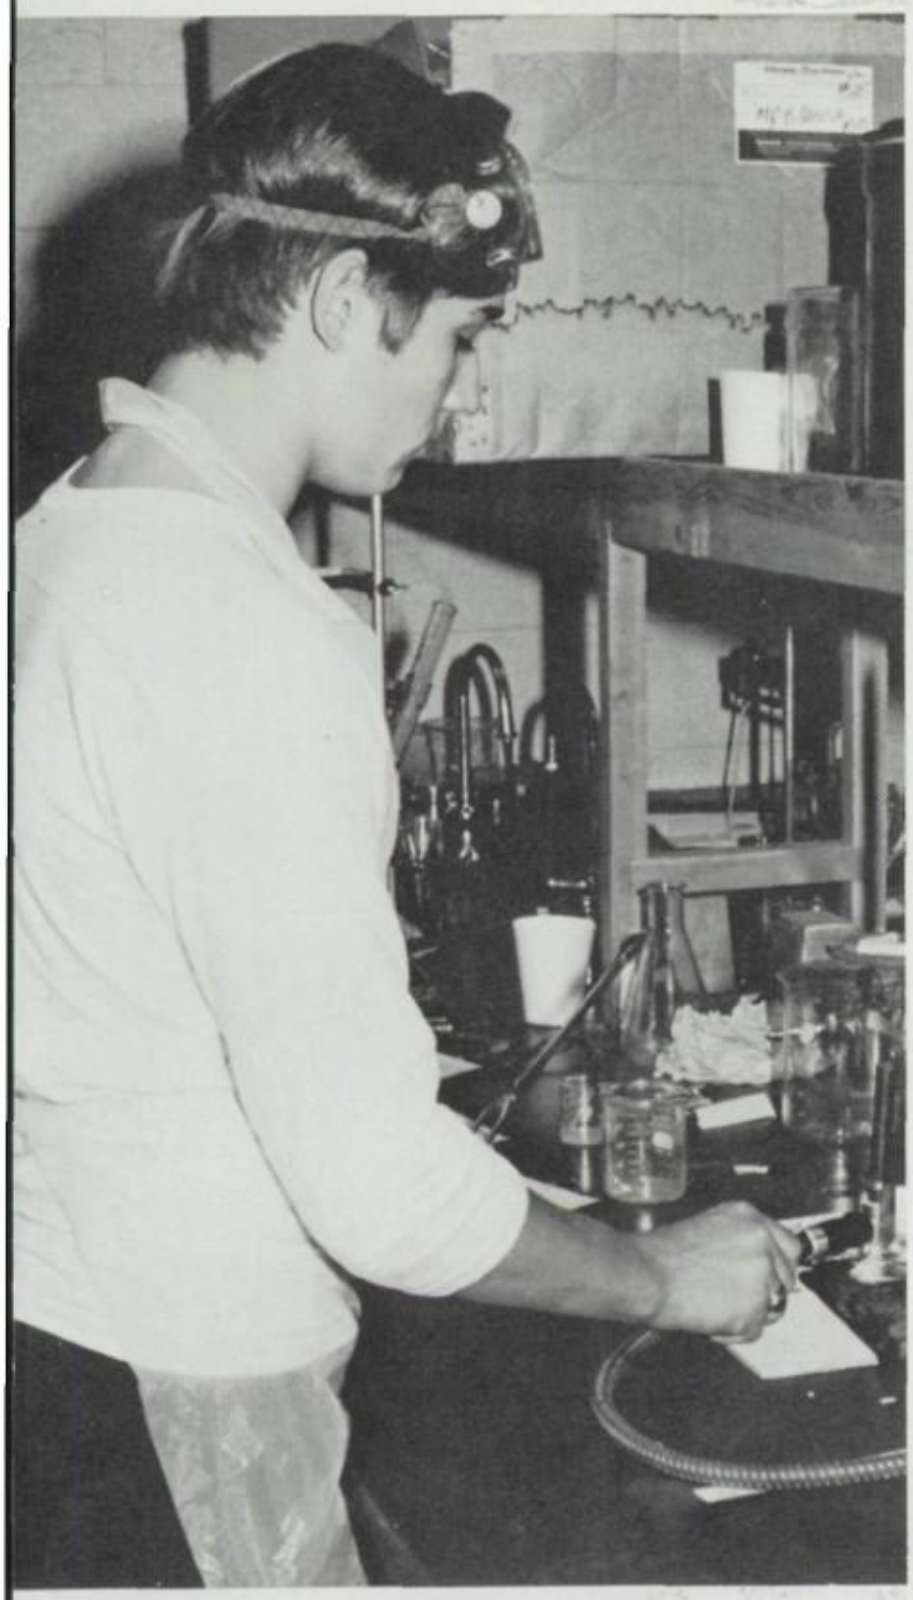
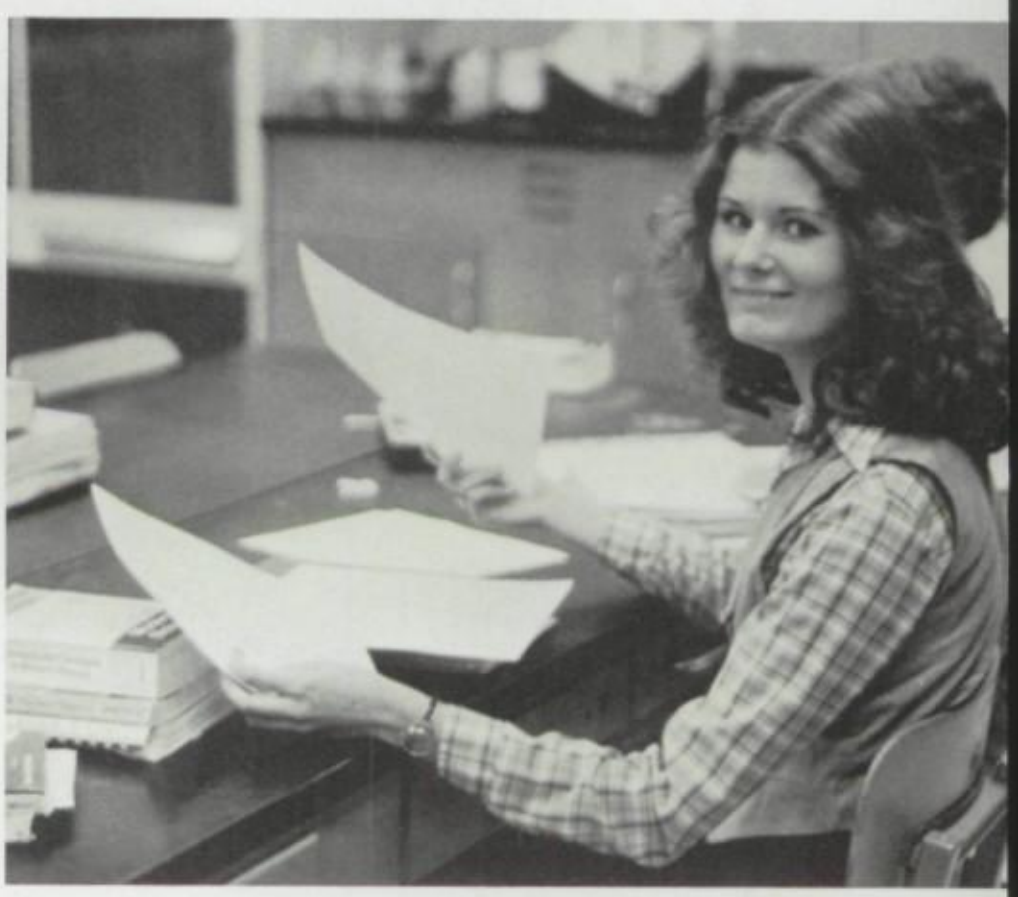
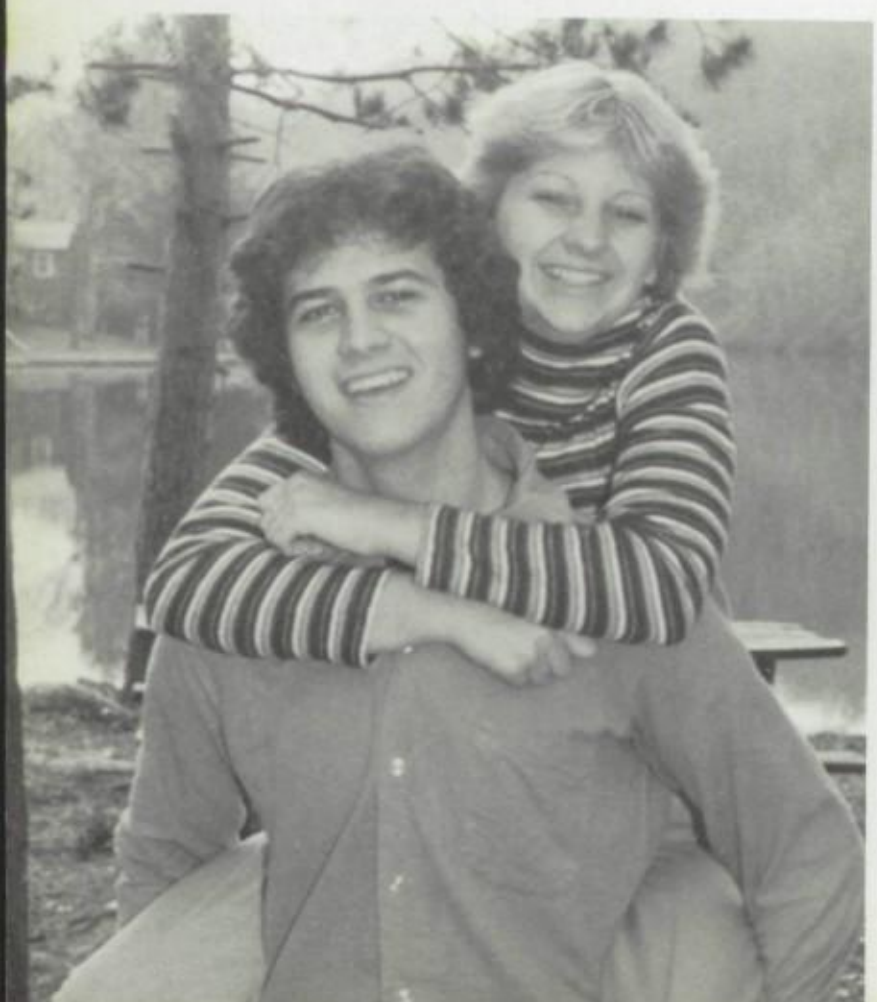
PROHIBITED



It Was Learning

It is said that the search for knowledge is never ending. That surely seemed to be the case for most of us this senior year. We spent hours lost in books, peering through microscopes, pounding keyboards and singing with the Choir. In short, we made great efforts to improve ourselves, to take advantage of all that has been offered to us. No matter what our pursuits entailed, we can now look back and say it was all worthwhile.





It Was Getting To Know Ourselves.

Amid the excitement of football season, the involvement of classes, and simply the everyday bustle in the halls, the year was also a time of getting away — studying for the biology final, reviewing history notes, or just taking time for some quiet reflection. Being responsible for ourselves gave the year a new and fresh perspective. The chance to evaluate where we've been and where we're going was time well spent.

It Was Those Special Days.

The year will be remembered for all those special happenings it contained. We'll recall the excitement of the Thanksgiving Day game and dance, the beauty and elegance of the Junior Prom, and the color and pageantry of Senior Week. These special days were really great and we can say we were there and a part of them.

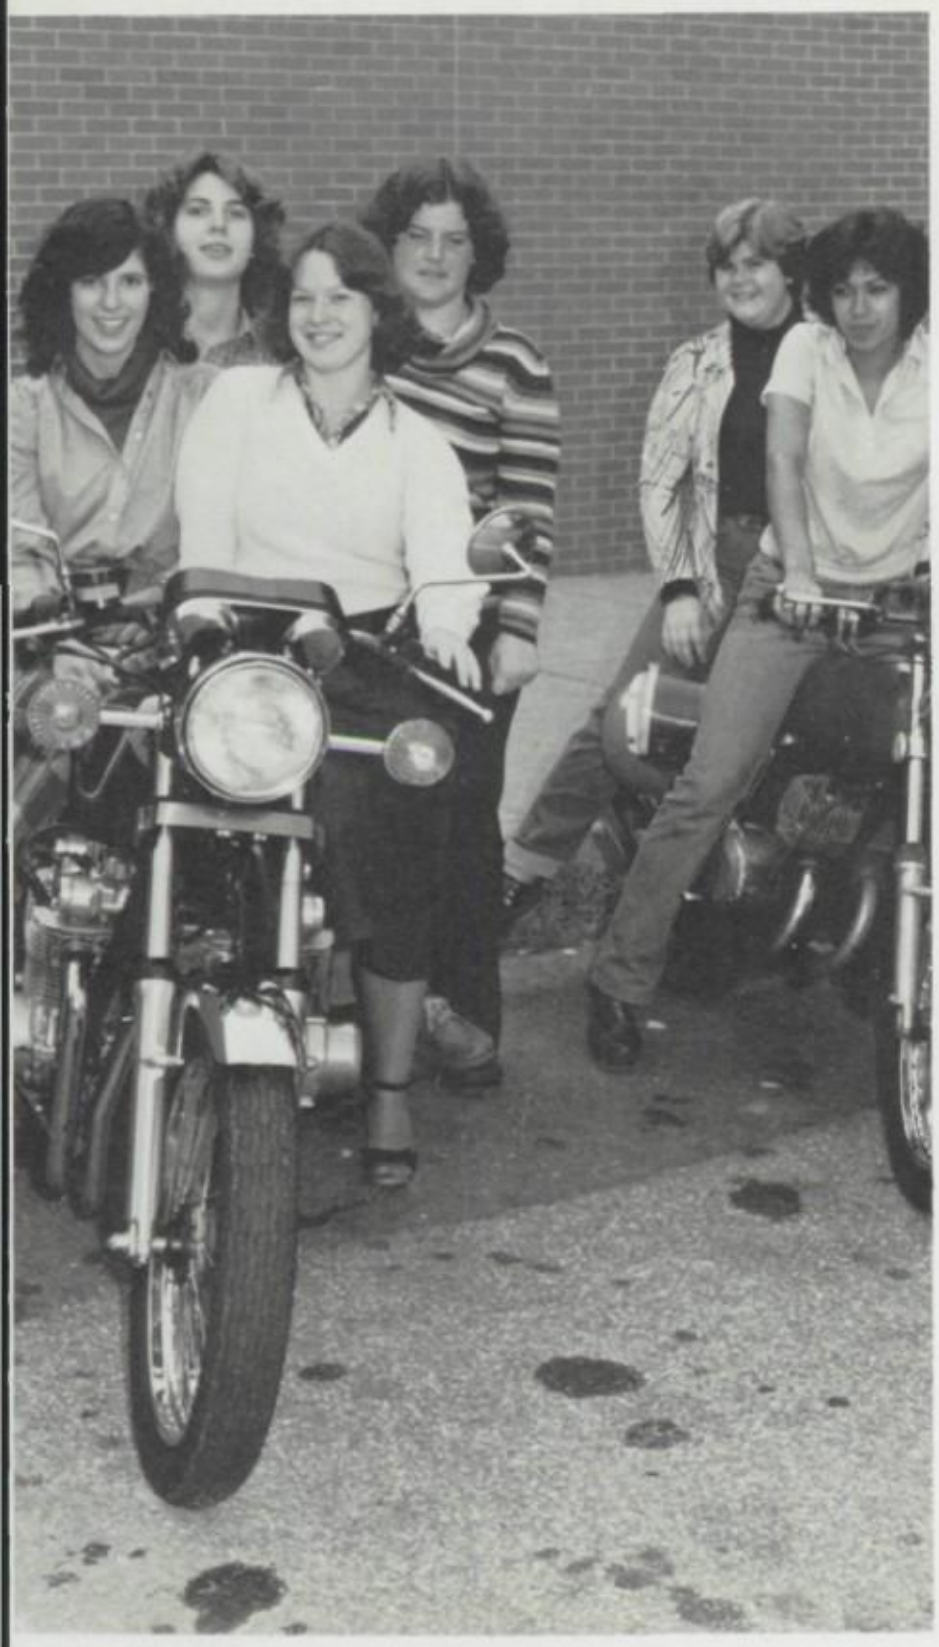
ACTIVITIES



It Was Belonging.

We came from many places and now we are undoubtedly headed in many different directions. But, for a short space in time, we were one; all sharing a common bond of belonging to the same groups, achieving together, helping one another. Sure, we had our disagreements and our off days. But as we look back, would the year have been as meaningful without the others around us? Each of us would be a little more shallow, and a little less enriched.

Journeying Through Life

Onward we travel
the roads of life,
Over the hills and
Through the valleys
of success and failure,
Through the tunnels and
Over the bridges
of distress and desire.
Upon the highways and
Amidst the backroads
of the exciting and the unusual,
Amidst the forests and
Upon the fields
of the extra-ordinary and
the everyday happenings.
Journeying through life to
Fulfill our dreams and await
our destinies.

Sherry Merrill

It Was Physical Expression . . .

We've always been noted as a school with a strong athletic tradition, not just on the varsity level, but all the way from clubs to intramurals to individuals. We ran, swung, hit, jumped and, above all, tried. We didn't always win, but we attempted and just as in the classroom, we took some giant strides on the athletic field. It was indeed a year of accomplishment.
